

HONORING KYLE EAN LONG

HON. MARK DeSAULNIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 14, 2015

Mr. DESAULNIER. Mr. Speaker, I rise today to honor the life of Kyle Ean Long, who was born in Sacramento on June 14, 1987, and died on January 10, 2015, at the very young age of 27. Kyle, the son of James and Tina Long, was born and raised in Sacramento, attended local public schools, and was a graduate of California State University, Sacramento.

I have known Kyle for three years, beginning when came to work in my California Capitol office in January of 2012 as an intern. Kyle swiftly became known as "Sunshine" for his positive attitude and infectious happiness. Kyle then worked for Assemblymember Tony Mendoza. After his work in the Assembly, Kyle worked for me as a Legislative Aide for two years as an integral team member, a role that he thrived in.

Kyle was dependable and resourceful team member. As a college student, Kyle worked diligently towards a career in public policy. While attending college at Sacramento State University, Kyle honed his extraordinary people skills at Chicory Coffee in Sacramento, and became a familiar face to those working in the State Legislature. Kyle was a master of working with people of all backgrounds and of bringing people together.

Kyle's passion for public policy and his enthusiasm for bringing people together made him a highly effective Legislative Aide. During his tenure in the State Legislature, Kyle successfully steered bills through the legislative process that helped to provide counseling services for rape victims, to keep pesticides out of California schools, to provide school supplies for homeless children, and to close loopholes to keep drunk drivers off of the roads.

In addition to being a valued colleague, Kyle was an important member of the State Senate family, a beloved friend, and an integral member of the community. Kyle made sure to have dinner with his grandmother every Tuesday, was always there to support his friends, and was looked up to by his two siblings and many cousins.

Kyle was a committed public servant who considered his public policy work a privilege and took on his responsibilities with a strong sense of duty. He was a dependable, resourceful team player who was a beloved colleague with a bright future ahead of him. Kyle's tragic loss is inexplicable, and I send my deepest condolences to his family, friends, and loved ones.

Mr. Speaker, I ask my colleagues to join me in honoring the extraordinary life of Kyle Long. The world is a brighter and better place because of him.

DOLLY MAE NAVE

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 14, 2015

Mr. HUFFMAN. Mr. Speaker, I rise today in honor of Dolly Nave, who passed away on December 23, 2014, at her home in San Rafael, California. As a dedicated community organizer and leader, Ms. Nave helped to transform recreational facilities in the City of San Rafael for the benefit of countless Marin County residents.

In the 1980s, on behalf of Ms. Nave's eight children and the children in the local community, Ms. Nave rallied the support of local contractors and volunteers to donate the equipment, labor, and funding necessary to breathe new life into public schools and city-owned recreation fields and facilities. Ms. Nave continued to improve recreational facilities throughout her life, and founded the Marin Bocce Federation in Albert Park, San Rafael.

Ms. Nave was a skillful community leader who processed the necessary organizational skills to always put the pieces in place and get the job done. She was the project manager for the construction of Marin Community Fields in Larkspur and was in the forefront of numerous projects at San Rafael High, initiating the successful "Save Night Football" campaign. A volunteer at Albert Park for 35 years, she became known as the "Angel of Albert Park" because she was one of its foremost advocates. In 1993, she was a founding board member and construction chair of the Marin Bocce Federation in Albert Park. The six bocce courts are now used by more than 1,000 players a week.

Ms. Nave's work did not go unnoticed, and her longstanding commitment to the others

was recognized by numerous awards including San Rafael Citizen of the Year, the Marv Lechner Award from San Rafael High, and Woman of the Year for California's Third Senate District in 1991. She was also one of the first women to be inducted into the Marin Athletic Foundation High School Hall of Fame.

Mr. Speaker, Dolly Nave's selfless efforts have benefited countless residents of San Rafael and Marin County. Her legacy will not soon be forgotten as her accomplishments can be seen all around the City of San Rafael. It is therefore appropriate that we pay tribute to her today and express our deepest condolences to her husband, Rich; three sons, Richard Jr., Paul and Tom; and three daughters, Sheri, Kathy and Patti; as well as her forty-two grandchildren and great grandchildren.

KEYSTONE XL PIPELINE ACT

SPEECH OF

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, January 9, 2015

Ms. JACKSON LEE. Mr. Speaker, I rise to speak about the Keystone XL Pipeline Project and the legislation before us, H.R. 3.

Mr. Speaker, the Keystone XL project proposed by TransCanada, a Canadian company, would build new pipeline to transport Alberta oil sands crude and crude oil produced in North Dakota and Montana to a market hub in Nebraska, and from there to Gulf Coast refineries.

The proposed pipeline would deliver an estimated 830,000 barrels of oil per day. One of the most appealing aspects of the project is the positive economic impact it is expected to have on the economy.

Let me just take one state's economy and realize what would happen with this particular effort. There would be a \$2.3 billion investment in the Texas economy, creating more than 50,000 jobs in the Houston area, providing \$48 million in state and local tax revenues, and increasing the gross domestic product of the state by \$1.9 billion.

I favor the job creation potential of the Keystone XL Pipeline project, and voted accordingly less than a month and a half ago, on November 14, which was H.R. 5682. Yet the legislation contains several provisions that are of great concern to me which I feel inclined to address.

First, because the pipeline would cross an international border, construction requires a presidential permit and would be subject to applicable state laws and permitting requirements.

To issue a presidential permit, the State Department, after consulting with other federal agencies and providing opportunities for public comment, must determine that the project would serve the national interest.

Because the Keystone XL project would constitute a major federal action with a potentially significant environmental impact, it is also subject to environmental impact statement requirements of the National Environmental Policy Act (NEPA).

The bill, however, declares that a presidential permit is not required for approval of the Keystone XL pipeline's northern route from the Canadian border through Nebraska even
